

Orville "O.D." Chase

1942- 2015

Dear Friend,

I'm sad to report the loss of a kind friend to Citizens United to Protect the Maurice River and its Tributaries, Inc. On Sunday, August 30, 2015, Orville "O.D." Chase departed our worldly presence.

Most of our encounters with "O.D." were at Sir Speedy where he worked for over 30 years with his wife Ginger. "O.D." was always pleasant and helpful and known for his kindly demeanor. The generosity he showed to our organization, and we can guess to many others, was greatly appreciated. He and Ginger continually shared themselves with the community. "O.D." was involved in a number of local service clubs, and his face could be seen at many area charitable events. He had a true enthusiasm for our community. Many people will miss his steadfast support.

We know that "O.D." above all else was a family man and our heartfelt condolences go out to his wife Ginger, his sons Odie and Jonathan, and to their families.

Sincerely,

Jane Morton Galetto
Board President
